**International Speedway Corporation
2019 Annual Golf Cart Credential
POWERED GOLF CART POLICY AND RELEASE OF LIABILITY**

1. All powered carts in use on the property of any International Speedway Corporation facility ("Speedway Property") must be registered. Registration will be proven through an Annual Credential Sticker which must be PERMANENTLY affixed to the approved golf cart on the front driver's side in the lower corner of the windshield or front hood. Each Annual Credential will possess a control number plainly visible to identify the person or company who has registered the cart.
2. Proof of general liability insurance (or automobile liability in the event the golf cart being registered is street legal) with limits of not less than \$1 million per occurrence, \$2 million in the aggregate, naming all the Additional Insured Parties (as defined in Section 9 hereunder) as additional insureds, must be supplied along with this form and must be active throughout the event. Certificate of Insurance shall state that such insurance is primary and non-contributory to any other insurance that may be available to an Additional Insured Party and that a Waiver of Subrogation applies in favor of the Additional Insured Parties. Insurance limits specified herein are minimums. Insurance coverage shall apply to the fullest extent of Company's insurance policy limits or to the extent allowed by law, whichever is greater.
3. The use of powered golf carts at any Speedway Property is restricted to business use only.
4. Powered carts will be driven in a safe, slow and careful manner, and shall at no time exceed any posted or designated speed limit at any Speedway Property, at all times while on Speedway Property. **Drivers will yield to pedestrians.** Anyone observed driving in a careless or unsafe manner, including without limitation in violation of any provision of this Powered Cart Policy and Release of Liability, **will be** removed from the property and have their Annual Credential revoked. The undersigned agrees to be responsible for compliance with all laws and government regulations in the use of the vehicle.
5. Powered carts must be driven by a licensed driver over the age of eighteen (18) unless applicable state law requires a higher age limit (by way of example, Alabama requires operators to be at least nineteen (19) years of age). The number of passengers may not exceed the manufacturer's designed and installed seating capacity and/or the capacity indicated on the Credential. All passengers must be seated during operation.
6. Alcoholic beverages are not permitted in any powered carts, except for delivery purposes only. No alcohol is to be consumed by any driver or passenger while the powered cart is in use, and no driver shall operate any powered cart while under the influence of alcohol.
7. Only powered carts equipped with factory installed (or equivalent) front headlights or rear running lights may be operated after daylight hours.
8. Cart usage will not be allowed in restricted areas and/or during times not authorized by track management.
9. The undersigned ("Company") hereby agrees to release, hold harmless, indemnify and defend International Speedway Corporation, its subsidiaries, limited liability and affiliate companies, and their respective members, shareholders, officers, directors, agents, employees, sponsors, trustees, receivers, successors, subcontractors and assigns, the City of Homestead, the Daytona Beach Racing and Recreational Facilities District, City of Daytona Beach, and County of Volusia (collectively the "Additional Insured Parties") from any and all liability or damages including reasonable attorney fees arising from injuries to person(s) or damage to property which may arise from the use of these vehicles by the company named below, its employees, agents, or representatives. Company's obligations hereunder to defend shall extend to claims alleging the sole negligence, willful misconduct or violation of law of an Additional Insured Party when combined with other claims triggering Company's obligation to indemnify, provided however that upon the final adjudication by a court of competent jurisdiction or written settlement between the parties, Company shall be reimbursed for the portion of fees or losses so adjudicated as the responsibility of an Additional Insured Party. I acknowledge and agree that the Additional Insured Parties do not accept any responsibility or liability by virtue of registering powered carts.
10. Company shall have no right to sell, assign, delegate or in any way dispose of or encumber any of the rights or duties granted under this Agreement. Any such attempt shall be deemed to be null and void and shall be considered a default under this Agreement, entitling International Speedway Corporation, at its sole discretion, to terminate the Agreement and to seek any and all other legal or equitable remedies International Speedway Corporation may be entitled to pursue under this Agreement or under the laws of the state where the Speedway is located. Further, any change in control (whether by merger, asset sale, stock purchase or other assignment or operation by law) shall for the purposes of this Agreement be deemed an assignment of the rights and obligations contained herein and shall require the prior written approval of ISC, which shall not be unreasonably withheld.

I have read, understand and accept all the terms of use for a powered golf cart on Speedway Property. Failure to comply with these terms may result in revocation of the Annual Registration Credential, the golf cart being impounded and/or forfeiture of golf cart privileges in International Speedway Corporation's sole discretion. The undersigned has the requisite authority to bind the Company to the obligations herein. My signature below signifies full and total acceptance of these terms and agreement to comply
